

Castrol EDGE Longlife 5W-30 Fully Synthetic Engine Oil

For today's latest technology, highly engineered engines that operate with tighter tolerances, requiring a high level of protection and low viscosity oils:

- ✓ Delivers unsurpassed levels of protection across a variety of driving conditions and temperatures
- ✓ Reduces engine deposits to help maximise engine response
- ✓ Maximises short and long term engine performance
- ✓ Independently proven to improve engine efficiency
- ✓ Sustains maximum performance even when under pressure
- ✓ Manufacturer Specifications Approved: VW 504 00, VW 507 00

Quantum LongLife III 5W-30 Fully Synthetic Engine Oil

A fully synthetic low ash oil, specifically formulated to give superior protection for all Volkswagen Group diesel and petrol engines, with the following key features:

- ✓ The only Quantum oil for Volkswagen Group vehicles fitted with diesel particulate filters
- ✓ Formulated to protect and maintain the efficiency of diesel particulate filters
- ✓ Suitable for fixed service intervals (time / distance) and long life service regimes
- ✓ Manufacturer Specifications Approved: VW 504 00, VW 507 00

Quantum Platinum 5W-40 Fully Synthetic Engine Oil

A fully synthetic low ash premium product, which can be used for a wide range of vehicles, with the following key features:

- ✓ Offers protection for Volkswagen, Audi, Seat and Skoda engines on fixed service intervals (except DPF)
- ✓ Meets the demands of the Volkswagen Group Pumpe Duse (PD) engines (except DPF)
- ✓ Manufacturer Specifications Approved: VW 502 00, VW 505 00, VW 505 01
